PREPARE FOR SUCCESS

- ☐ Be active in Preview Week (classrooms open seven days prior to the start of the session).
- ☐ Carefully review course syllabi, making special note of assignment due dates and discussion participation guidelines.
- ☐ Identify the learning activities that are worth the most points, as those assignments may require more time and effort to complete.
- ☐ Review the checklist items on your Student Portal; address any outstanding items as soon as possible.
- ☐ Communicate with your professors and Success Network Partner (Success Coach, Military Education Coordinator, Advisor, or Local Representative)—they are there to answer questions and provide support!
- ☐ Block out time on your calendar throughout the week to complete specific tasks.
