PREPARE FOR SUCCESS

- ❑ Be active in Preview Week (classrooms open seven days prior to the start of the session).
- ❑ Carefully review course syllabi, making special note of assignment due dates and discussion participation guidelines.
- ❑ Identify the learning activities that are worth the most points, as those assignments may require more time and effort to complete.
- ❑ Review the checklist items on your Student Portal; address any outstanding items as soon as possible.
- ❑ Communicate with your professors and Success Network Partner (Success Coach, Military Education Coordinator, Advisor, or Local Representative)—they are there to answer questions and provide support!
- ❑ Block out time on your calendar throughout the week to complete specific tasks.
