Supreme Court Framework

Davis v. Monroe County Board of Education (1999 526 U.S. 629)
Supreme Court Framework

1. Sexual Harassment
2. Actual Knowledge
3. Deliberate Indifference
Three-Pronged Definition of Sexual Harassment

1. Unwelcome sexual conduct that is so severe and pervasive and objectively offensive it effectively denies a person equal educational access

2. Quid Pro Quo

3. Clery/VAWA Sex Offenses

*Quid Pro Quo and Clery prongs do not have to be severe, pervasive and objectively offensive; a single incident falling within the scope of either could constitute prohibited sexual harassment
Actual Knowledge

- Notice of sexual harassment or allegations of sexual harassment
- Made to the Title IX Coordinator
- Or to any school official who has the authority to institute corrective measures on behalf of the school
Deliberate Indifference

• Was the school’s response *clearly unreasonable in light of the known circumstances*?

• *Did the school respond meaningfully to every report of alleged sexual harassment whether or not it triggered the formal grievance process?*
Deliberate Indifference

The school’s response:

• Must be Prompt
• Must Include offering supportive measures to complainant
• Ensures the Title IX Coordinator contact each complainant to discuss supportive measures
• Considers complainant’s wishes regarding supportive measures
• Informs the complainant of the availability of supportive measures with or without filing a formal complaint
• Explains the process for filing a formal complaint
• Treat the parties equitably (i.e. not identically, but equitably)
• Follows the grievance process before imposing any disciplinary sanctions on respondent
• Effectively implements remedies designed to restore or preserve educational access

Sexual Harassment
Complainant & Respondent 106.30

- Parties to the complaint: alleged victim and alleged perpetrator of conduct that could constitute sexual harassment.

- Complainant: participating or attempting to participate in program or activity

- Respondent: enrolled or under recipient’s control
• A document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the recipient investigate the allegation.

• May be filed in person, by mail, by electronic mail, or by other methods identified by school.

• “document filed by a complainant” is either a document or electronic submission that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the one filing the formal complaint.
Supportive Measures

Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or respondent before or after the filing of a formal complaint or where no complaint has been filed.

Designed to restore or preserve equal access to the recipient’s education program or activity without unreasonably burdening the other party.

Obligated to offer (with or without a formal complaint) and to engage in an interactive discussion with complainant regarding their wishes.

Must be kept confidential to the extent possible to allow implementation.
Supportive Measures 106.30

- Non-disciplinary, non-punitive
- Individualized services that may be offered to the complainant or respondent free of charge
- That do not unreasonably burden the other party
- May include services to protect the safety of all parties as well as the school’s educational environment or to deter sexual harassment
- Must be kept confidential to the extent possible
- Schools must document the facts and circumstances the render the supportive measures they have implemented appropriate and must also document rationale if they do not implement supportive measures explaining how this decision was not deliberately indifferent
Supportive Measures 106.30

• Must promptly contact the complainant to discuss the availability of supportive measures
• Must consider complainant’s wishes
• Must inform complainant of the availability of supportive measures with or without filing a complaint
Actual Knowledge 106.30(a)

• “Notice of sexual harassment or allegations of sexual harassment to a recipient’s Title IX Coordinator or any official of the recipient who has authority to institute corrective measures on behalf of the recipient”

• “Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge”

• “the mere ability or obligation” to report “or having been trained to do so” does not equal actual knowledge
Consent

• Not Defined in Regulations
• Critical Contested Issue in Many Cases
• Affirmative Consent Required in Some States
• California “Yes Means Yes”
• New York “Enough is Enough”
Consent

- Must clearly define and consistently apply your definition.
- The school carries the burden of collecting sufficient evidence to reach a final determination, not the parties.
- Especially when using an affirmative consent standard, be mindful that you do not misuse it by requiring the respondent to prove the existence of consent or likewise shift the burden to a complainant to prove the absence of consent.
