

Consortium Agreement

Purpose of this Form: A Consortium Agreement is necessary for students enrolled in degree-seeking programs at UMGC (Home school) to receive financial aid while temporarily attending another accredited higher education institution (Host school). The agreement allows UMGC to disburse financial aid based on combined enrollment at both institutions. **Each consortium agreement is only valid for the specific semester indicated.**

Conditions of this Agreement: Students are not permitted to receive federal or state financial aid through more than one institution at the same time. By completing this consortium agreement, the Host school agrees to defer to UMGC and not process any federal or state aid in your name.

Eligibility Requirements: To be eligible for a consortium agreement, you must have completed a FAFSA, meet all federal aid requirements, meet Satisfactory Academic Progress (SAP), and the courses taken at the Host school must qualify for transfer towards your current degree program at UMGC. If your Host school refuses to complete the consortium agreement, there is no appeal process.

Disbursements: Your financial aid will be disbursed at UMGC according to federal and state regulations and institutional policies. Funds are not transferred from one school to another; if your charges at the Host school are due before you receive your aid refund from UMGC, it is your responsibility to pay them by other means. We strongly encourage you to contact the other institution to discuss payment deadlines and options. **Students are responsible for payment of all charges at their Host schools.**

Enrollment: You must notify UMGC Financial Aid if you drop or withdraw from any courses at the Host school. When your enrollment level changes, UMGC is required to review your aid eligibility and, if necessary, adjust it according to the Department of Education's Return of Title IV Funds requirements. You may lose eligibility for some or possibly all of your initial financial aid disbursement, creating a balance due. When you notify the Financial Aid Office of enrollment changes, include the names of the courses in question, their scheduled start and end dates, and the date(s) you dropped or withdrew from them.

In order for a UMGC Consortium Agreement to be approved, **all** of the following must be submitted to the UMGC Financial Aid Office for processing by the last day of classes.
