Look for a Focus on Career Success

Whether you're interested in starting on a new professional path, reaching the next level of your career, or becoming an expert in your field, completing your degree is the next big step. UMGC's 125+ degree programs are designed to equip students with real-world skills and prepare them for a more rewarding future in a variety of in-demand industries. You'll put the knowledge and skills you develop into practice in your career right away. Choose from our flexible [bachelor's](#), [master's](#), [doctoral](#), and [certificate programs](#), such as business & management, data science & analytics, education & teaching, nursing, healthcare administration, and many more!

“One of the things that drew me to UMGC was the classes themselves. I think the academic programs that UMGC puts together are very thorough. I had a great experience.”

Margaret L., MS in Management, MBA

Gain a Partner in Your Journey

It takes dedication and commitment to pursue higher education, but you don't have to go it alone! UMGC offers a variety of [student-focused support services](#) to help you navigate your higher education journey. From academic advisors and tutors to technical support and lifetime access to career services, UMGC will support you every step of the way. This includes a personal Success Coach who will be there for you to work with you from start to finish to develop learning strategies, clarify your education and career goals, assist with your course selection, cheer you on as you reach milestones along your way to graduation, and so much more.

“ The academic advising at UMGC is beyond any expectations that I ever had. The game changer was getting a personal Success Coach because I didn't need to re-share my story every time to get my questions answered ... they made my life so much easier.”

Chaya P., BA in Social Science

Seek Out Flexible Programs that Fit Your Life

You have your own learning style, life commitments, and personal goals, and you need a university that sees you as a unique individual with unique needs. At UMGC, we are dedicated to educating and improving the lives of adult learners, and we understand that when you choose to pursue your education, the rest of your life doesn't stop. With our variety of [convenient scheduling options](#), including online and hybrid classes, you'll have the flexibility to study anywhere at your own pace and on your own time. Plus, our supportive faculty, staff, and advisors are here to ensure you have everything you need to achieve your goals. Even as an online student, you'll be an important part of our global community of bold leaders and creative innovators.

“It is an online education with an in-person feel. I think that's truly what separates UMGC from the crowd. Plus, the fact that it's affiliated with the University System of Maryland gives it status. I'm so glad I found UMGC.”

**Velma H., BS in Human Resource Management,
MBA**

Get the Most Value from Your Education

Earning a certificate or bachelor's or graduate degree is an investment in yourself and your future, and we never want finances to get in the way of completing your education. That's why we've made continuing your education affordable with:

- Low in-state tuition rates for Maryland residents
- Reduced tuition for military servicemembers and families
- 100+ scholarships for students who qualify
- \$0 in textbook costs for nearly every course
- Our interest-free monthly payment plan and more!

We'll work with you to find ways to [make your education fit](#) within your budget.

“The money for financial aid is very easy to obtain if you just have the right people to help you navigate. It's as simple as calling the office. It's very user friendly whether you're doing it online on your own or you're calling the campus.”

Victoria K., BA in Psychology
