

UMGC

COMMENCEMENT

2021

UNIVERSITY OF MARYLAND GLOBAL CAMPUS
2021 Winter Commencement

A Message from the President of University of Maryland Global Campus

Dear UMGC Graduates,

Congratulations! Commencement represents an important academic milestone, and you deserve to celebrate.

Today, we are honored to celebrate with you. I speak for everyone at University of Maryland Global Campus when I say that we are deeply proud of your every achievement and stand behind you as you continue to pursue your dreams and aspirations.

When you succeed in your studies and in life, we succeed in our mission, and it is truly an honor to welcome you as UMGC alumni.

Many of you are also active-duty servicemembers, veterans of the U.S. military, or medical personnel and first responders on the front lines in the fight against our global pandemic. We salute you and the many others who live lives of service, and we thank you for choosing UMGC to continue your education.

As UMGC graduates, you are each better equipped to lead—in your family, your community, your place of work.

Be brave, and know that we share your vision of a world that is better and brighter, safer and more secure, more peaceful, and more just.

Embrace that vision and let it lead you. Together, we can help to build that world for ourselves, our loved ones, and for all.

Again, congratulations to you and to all who share in this special achievement, whether in person or in spirit.

Sincerely,

Gregory W. Fowler, PhD
President
University of Maryland Global Campus

Saturday Morning
DECEMBER 18, 2021
Commencement Order of Events

ACADEMIC PROCESSION

Pomp and Circumstance, March No. 1
Sir Edward Elgar

Procession of the Nobles from Mlada

Winter 2021 Saturday Morning Speaker

GINGER MILLER '13

PRESIDENT AND
CHIEF EXECUTIVE
OFFICER
WOMEN VETERANS
INTERACTIVE INC.

Ginger Miller is founder, president, and CEO of Women Veterans Interactive Inc. She was recently appointed by President Biden to the USO Board of Governors. She also serves as an honorary commander for the 316th Operations Group at Joint Base Andrews and a member of the Advisory Board of Northwest Federal Credit Union.

A navy veteran, Miller cared for her husband—a fellow veteran who was disabled and suffered from post-traumatic stress disorder—for more than a decade. She experienced homelessness and worked three jobs to support her family while attending school full-time.

In 2009, Miller formed the nonprofit organization John 14:2, Inc., which was instrumental in starting the first Prince George's County Homeless Veteran Stand Down. Two years later, she started the member-based Women Veterans Interactive (WVI), to meet women veterans at their points of need through advocacy, empowerment, interaction, outreach, and unification.

Miller then created the Women Veterans Interactive Foundation, which supports programs, training, and resources to equip them at all stages of their military transition, all delivered through a comprehensive ecosystem.

Miller holds a bachelor's degree in accounting from Hofstra University and a master's degree in management with a specialization in nonprofit and association management from University of Maryland Global Campus (then University of Maryland University College).

Winter 2021 Saturday Afternoon Speaker

THE HONORABLE JAZZ M. LEWIS

MEMBER,
MARYLAND HOUSE
OF DELEGATES

Jazz M. Lewis is a lifelong resident of Maryland and has dedicated his life to giving back to the state and its people.

Lewis began his career as a community organizer in Baltimore. He credits his activities as an organizer with teaching him the power of collective action and the importance of cultivating personal relationships within a movement.

He then used his organizing skills to help elect candidates up and down the ballot who fought for the local community, working on campaigns and with candidates to promote a better, more inclusive Maryland.

In February 2017, Lewis was appointed to the Maryland House of Delegates, where he serves on the Appropriations Committee. As a delegate in Annapolis, Lewis has worked tirelessly to focus on the issues important to everyday Marylanders, sponsoring and supporting legislation to expand access to healthcare by subsidizing care in high-need neighborhoods, passing tax credits to incentivize grocery stores to open in food deserts, tackling the systemic inequities in the prison system, and supporting new opportunities for young people.

Lewis earned both his Bachelor of Arts in government and politics and Master of Public Policy degrees from University of Maryland, College Park. He and his wife and son live in Prince George's County. He is currently a candidate for Congress.

The background of the page is split into three main sections. The left half is a solid light beige color with a subtle, large-scale geometric pattern of concentric, slightly offset lines that create a sense of depth and movement. The right half is divided horizontally. The top and bottom sections of the right half feature a pattern of overlapping, wavy, golden-brown lines that resemble draped fabric or liquid motion. A horizontal white band runs across the middle of the right half, containing the text.

WINTER COMMENCEMENT 2021
Graduates and Candidates

Academic Honors

Academic honors for excellence in scholarship are determined from the cumulative grade point averages (GPA) of students who are pursuing a bachelor's degree and have completed 30 or more credits with University of Maryland Global Campus. Students may earn the distinctions of *cum laude*, *magna cum laude*, and *summa cum laude*, which signify graduation with honor, high honor, and highest honor, respectively. Sometimes called graduation honors, these traditional academic designations are awarded at the time a baccalaureate degree is conferred.

The distinction of *summa cum laude* is conferred on students with a cumulative GPA of 4.000, *magna cum laude* for a GPA of 3.901 to 3.999, and *cum laude* for a GPA of 3.800 to 3.900.

Students who have earned the honor of *summa cum laude* wear gold cords as part of their academic regalia at commencement. Blue cords indicate the honor of *magna cum laude* and white cords *cum laude*.

Academic honors for December 2021 candidates are based on academic standing as of October 15 and are pending final degree audit.

★ Cum Laude ❖ Magna Cum Laude ✱ Summa Cum Laude

This commencement program lists the names of those graduates and candidates who applied for graduation by the October 15 deadline.

The background of the entire page is a complex geometric pattern. It features a central, bright, circular area that fades into a series of concentric, slightly irregular lines. These lines are composed of many thin, parallel segments that create a sense of depth and movement, resembling a stylized sunburst or a series of ripples. The color palette is a range of warm, earthy tones, from light cream and beige to deep, rich browns and golds. The overall effect is one of elegance and modernity.

Academic Degrees and Dress

History of Academic Degrees and Academic Dress

A DEGREE is awarded for successfully completing a course of study. U.S. colleges and universities now confer more than 1,600 types of academic degrees.

The first degree recorded in history was a doctorate conferred by the University of Bologna in the middle of the 12th century. Originally, the doctor's and master's degrees were used interchangeably, each indicating that the holder was qualified to give instruction to students. The bachelor's, or baccalaureate, degree indicated only entrance upon a course of study preparatory to a doctorate or mastership. Gradually, however, the bachelor's degree came to signify the successful completion of a level of advanced study preparatory to the higher degrees.

The associate degree originated at the University of Chicago, which began awarding it in 1900. Today's associate degree is typically awarded after two years of study and is often composed of coursework that may be applied toward a bachelor's degree.

In North America, the Bachelor of Arts (BA) was first conferred in 1642, on the nine young men who constituted the first graduating class of Harvard College. Yale conferred its first Bachelor of Arts in 1702; Princeton, in 1748; William and Mary, in 1753; Pennsylvania, in 1757; and Columbia, in 1758.

The Bachelor of Science (BS) was awarded to four graduates of Harvard's class of 1851; they were probably the first from any institution to receive that degree. Women in the United States first received baccalaureate degrees in 1841, when three women graduated from Oberlin College.

The master's degree has passed through various stages since its origin in the Middle Ages. During most of the first two centuries of U.S. collegiate history, the only master's degree awarded was the classic Master of Arts (MA). The University of Michigan offered the first Master of Science (MS) in 1858.

Throughout the 19th century, the Doctor of Philosophy (PhD) degree gained status in both Europe and North America. The first earned doctorates in the United States were awarded to three students at Yale in 1861. Johns Hopkins University was founded for graduate studies in 1876, after which more universities developed doctoral programs in varied disciplines but with requirements similar to the PhD.

THE GOWNS worn by participants in an academic procession indicate which academic degrees they hold. At the bachelor's level and above, the gown is usually black, but some universities use colored gowns. At UMGC, doctoral candidates wear red gowns; master's and bachelor's candidates wear black, and associate degree candidates wear the traditional gray gown.

The style of sleeve connotes the level of achievement: straight-bottomed sleeves indicate the associate and bachelor's degree; longer, dangling sleeves, the master's degree; and fuller, round sleeves the doctorate.

The gown worn by those who have earned a doctorate is faced with velvet and has three bars of the same material across the sleeves; the facing and bars can be black, blue, or a color matching the field in which the degree is earned.

Hoods are lined with the colors of the school granting the degree. The velvet border of the hood indicates the discipline. The hood for the doctorate has distinguishing panels and is longer than that for the master's degree. Hoods are not usually worn for the bachelor's or associate degrees at UMGC.

Bachelor's degree recipients who have earned honors for outstanding scholarship wear cords as part of their academic regalia—gold for *summa cum laude*, blue for *magna cum laude*, and white for *cum laude*. These honors are awarded to students at UMGC with a grade point average of 3.800 and higher.

The standard cap is the mortarboard, which is usually the same color as the gown. At UMGC, tassels worn by candidates for degrees below the doctoral level are worn on the right and are moved—with great fanfare—to the left at the end of the ceremony.

The regalia worn by the university president is uniquely designed for each institution. Presidential robes have four bars of velvet across the sleeves, generally piped in a contrasting color, and may have velvet panels down the front. The UMGC president's gown is red with black velvet facing and gold piping to represent the university's colors.

THE COLORS ASSOCIATED WITH THE ACADEMIC DISCIPLINES★

Agriculture	Maize	Law	Purple
Arts	White	Library Science	Lemon
Humanities	White	Medicine	Green
Letters	White	Music	Pink
Accountancy	Drab	Nursing	Apricot
Business	Drab	Oratory	Silver Gray
Commerce	Drab	Pharmacy	Olive Green
Dentistry	Lilac	Philosophy	Dark Blue
Economics	Copper	Physical Education	Sage Green
Education	Light Blue	Foreign Service	Peacock Blue
Engineering	Orange	Public Health	Salmon Pink
Architecture	Brown	Science	Golden Yellow
Fine Arts	Brown	Social Work	Citron
Forestry	Russet	Theology	Scarlet
Journalism	Crimson	Veterinary Science	Gray

UMGC Alma Mater

UMGC was established in 1947 specifically to serve the educational needs of adult students, many of them veterans returning from World War II. That commitment continued as UMG C first sent faculty overseas to teach active-duty military personnel in Europe in 1949 and in Asia in 1956. That mission guides us to this day.

Our Alma Mater, by faculty member Susan C. Malone, commemorates and celebrates UMG C's unique culture and mission.

We hon - or you and thank you for all that you have
The time we spent to - geth - er at night or in the

done. To help us on our jour - ney and make us all as one. So,
day. In ma - ny diff - rent pla - ces, at home or far a - way. U -

with this song of glo - ry let's say your name a - loud. U M G C, U
nites us and then guides us. Now we're your pre - cious jewels U M G C, U

M G C for - e - ver stan - ding proud!
M G C the dear - est of all schools!

Dear Member of the Class of 2021!

Congratulations on earning your degree and achieving a remarkable milestone that can be attributed to your dedication, strength, and perseverance. As you embark on the next phase of your life, know that you are one of more than 263,000 UMGC alumni worldwide.

Now it is my honor to personally welcome you to the University of Maryland Global Campus (UMGC) Alumni Association. Our UMGC Alumni Association represents a diverse group of working professionals who, like you, are actively contributing to our professions, our communities, and our nation.

Your lifetime membership in the UMGC Alumni Association is complimentary. Your membership grants you access to professional development, networking opportunities, career services, benefits, discounts, and so much more. Follow us on LinkedIn, Facebook, and Twitter to receive timely updates on UMGC news and initiatives. Please visit alumni.umgc.edu for more information.

Again, I congratulate and personally welcome you into the global UMGC Alumni Association. I hope you continue to use your energy and enthusiasm to make a greater impact on the UMGC alumni community.

Stay connected!

Sincerely,

Lis Driscoll
