Meeting Agenda

1) Welcome from the Chair
2) Approval of minutes of the March 2019 subcommittee meeting (minutes attached)
3) Discussion of meeting time, location, and meeting format options
4) Review of 2019 Recommendations 5, 6, 7 from the Subcommittee (reference July 1, 2019 Activities Report of Maryland Cybersecurity Council at http://www.umuc.edu/mdcybersecuritycouncil (p. 27) and discussion of other items of interest to the members. For example, Bel has mentioned the idea of a "cyber economic development zone" ala the "economic development zones", considering how to address workforce development needs that are hindering economic development, and exploring how to move the needle on tech transfer from the university labs to market. There is also the persistent problem of security clearances (https://federalnewsnetwork.com/workforce/2019/07/agencies-losing-time-talent-and-money-due-to-security-clearance-reciprocity-challenges/). Finally, it is important to know what legislative efforts that the members' own organizations may be pursuing in 2020 or 2021 that are related to the subcommittee's objectives.
5) The roadmap for next two years
6) Other items of interest to the members
7) Adjournment
